FIREWISE ANNUAL BBQ and POT LUCK

The Firewise BBQ will be held on **SATURDAY JUNE 17**. Frank Bigelow from CAL FIRE will speak at the event on the latest fire news for this year.

Bobby Macaulay will open the clubhouse for kitchen and bathroom use for our BBQ. Thanks Bobby!!!

We will serve lunch around 11:30 to 12:00. We are serving hot dogs and cheese burgers with all the trimmings. We will also have paper plates, plastic ware, drinking cups and drinks. Please bring your favorite pot luck side dish to share. Volunteers are welcome to help in the cleanup of the clubhouse.

ROAD WORK

Sage Engineering is repairing the culvert and road at Cascadel Drive and Loma Linda Dr.

They are scheduled to begin repairs on Cascadel Road June 1.

Due to the continued water flow on Cascadel Road, the repairs may need redoing as the road dries out.

FIREWISE

We were able to burn some old log piles behind the clubhouse and clean up more broken branches from the snows of January and February along the edge of one CSA field next to Cascadel Road.

We have asked the Cal Fire Crews to come in and help us clean up the debris in the CSA along Cascadel Road. They are committed at this time. Hopefully we can get them before the wildfires begin.

The mowing has begun on the meadows. Some areas are still wet and will need to wait to be mowed.

The easement weedeating has been slow this year due to illness. Hopefully that will get going again soon.
