# THE WOODS

**A NEWSLETTER FROM  
CASCADEL MUTUAL WATER COMPANY  
VOLUME 101 APRIL 1, 2024**

**ARBOR DAY  
APRIL 26, 2024**

## CMWC NEWS

Enclosed you will find a Notice informing you of the rate increase for water and roads. This increase will take effect on May 1, 2024.

## FIREWISE BRIGADE

We have accomplished two of the items on our Firewise USA Three Year Action Plan already this year thanks to your generous donations.

The CMWC Firewise Committee was able to hire the CAL FIRE crews to do additional fuel clearances in Cascadel.

In January we created a fuel break on Cascadel North and Cascacadel Lane and in March we expanded the fuel break at the entrance of Cascadel between Cascadel Dr and Autumn Ridge Way. Here are a few pics of the clearing.

We will be calling on volunteers to assist in the burning of many piles of debris when the rains stop, and the piles dry out. If you want to help, but cannot do the physical work, you can sign up for fire watch duty during the evening hours.

The next area to be thinned and brushed, depending on the money in the Firewise account, will be the field before the bridge.

## REMINDER TO ALL RESIDENTS

Please remember to text Carol, (cell listed below), with the date, jobs accomplished, and your hours on clearing your property from the trees that fell on your house during the Mono Winds, raking leaves, brushing, limbing of trees, and weedeating when the grasses turn brown, throughout the year.

Thank you for your support.

Carol is **STILL** looking for someone to train to head up the Firewise Brigade. This will include reporting each year's accomplishments and fuel mitigation hours worked by residents to the National Fire Protection Association (NFPA). If you are interested call Carol at 559.676.3783 or email at [egginks@netptc.net](mailto:egginks@netptc.net).
