CMWC

NEWS

The Board elected officers at their meeting in October. They are:

- President – Stan Eggink
- Vice President – Michael Delaney
- Treasurer – Avetik (Avo) Atoian
- Secretary – Amy Wong
- Director of Roads – Ken Trapp

You should have received a new Community Phone list in October. If you did not receive one and would like one, please contact Carol Eggink at 559-676-3783 or egginks@netptc.net.

A broken valve connected to a meter on Cascadel Drive South was able to be fixed without the need to turn off the water for many customers on the street.

REMINDERS

Winter is almost here. Be sure to protect your outside water pipes from freezing.

If you are going to be leaving for more than a few days be sure to shut off your water at the meter box and drain the house from the lowest point outside.

If you turn off your water, it is also suggested that you either turn your water heater off or place it in "vacation" mode. This can prevent over pressurizing the pipes inside your house from the heated water.

If you have or see any water problems, need help turning off your water or realize after leaving that you have forgotten to turn off the water please call Stan @ 559-321-6969 so he can turn the water off for you.

Thank You.

FIREWISE

Thanks to all who have made donations to the Firewise committee. This covers all areas to be cleared that are not within the 47 acres of the CSA.

The hours that you have reported to Carol Eggink will be reported to the NFPA in late November to keep our community a Firewise USA Community.

If you forgot to report your hours, please send Carol Eggink a text at 559-676-3783 or email at egginks@netptc.net.

Thanks to all who have donated so far. With Toby Delaney and Lisa Wood on the job of decorating, it promises to be quite lovely. They hope to have enough to purchase lights for the front deck.

These lights will remain up through the Holiday season for all residents and guests to enjoy.

CHRISTMAS PARTY IN THE CLUBHOUSE

The last Christmas party held in the clubhouse was in 2018. We are very excited to see the community enjoy the holidays with a good meal and friendly faces. We have scheduled a return to the clubhouse Christmas Party for Saturday, December 6. Save the date. We will start around 5 pm till 9 pm.

From the 2018 Holiday party

Turkey and ham will be provided. There will be vegan dishes for those who enjoy that kind of food. You provide side dishes, your own table settings, and your favorite drink for a Holiday dinner.

Cold refreshments and hot coffee will be provided.
