

# CASCADEL FIRE WISE / BRIGADE

## CHIPPING DAY IN CASCADEL

**NOVEMBER 14, 2018**

Members present were Stan and Carol Eggink and Susie Odry. Jim and Kitty Williams, resident volunteers were also present.

The day began at 9 AM on Vista Dr E. This area was hit pretty hard during the high winds in October. This area took about 45 minutes to clear and clean up.

We then moved on to Loma Linda Dr. The ravine was cleared of debris and dead and low hanging branches of Manzanita's were cut down along the road and staged for chipping.

The entire project was about 2 hour's time for five people. Good job everyone.

### Some pics of the day.
